Dental Director
Cheryl Christian,
Executive Director

Our 'Wish List' for the Holidays:

- Prayer for patients and providers
- New volunteers
- Year end gifts

Will you consider partnering with us in one of these areas?

"I'm sure lots of lives have been saved because of each of you. Thanks for being heroes in this community and for being a huge blessing to us. We really do appreciate everything."

— Patient Quote

"Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms."

— 1 Peter 4:10

Good News Clinics ANNUAL REPORT

Dr. J.R. Wright & Family

Ophthalmology Room Named For Dedicated Volunteer

Thanks to the generosity of community donors, the Ophthalmology Room at Good News Clinics has been named in honor of Dr. J.R. Wright, who faithfully volunteered at GNC for 16 years to provide eye exams to patients. More than \$27,000 was raised, with a lead gift from Walter and Winkie Bombershine made in honor of Kevin Price to recognize his dedicated and timeless work for GNC.

GNC Announces Opening of G. Warren Thomas Education Center

In August, GNC completed construction on a new building addition. The center features a patient education classroom, offices for counseling and patient intake, and administrative and Health Access offices. We have been extremely blessed by this new addition which has provided much needed space and opportunities for expanding services.

Before the addition, patient education classes were offered in the waiting room, restricting privacy and the number of students. The new education classroom seats 18-30 people, offers privacy and a quieter learning environment, and gives instructors the ability to use teaching aids such as powerpoint presentations and hands-on materials. Classes taught include diabetes, dental care, smoking cessation and nutrition education. The room also provides space for new patient orientation and in house meetings and conferences.

Thank you for your continued support that has made growth such as the G. Warren Thomas Education Center possible.

Helping Hands

3,030 hours from doctors, nurses, pharmacists, and other healthcare professionals
1,903 hours from dentists and dental hygienists
8,876 hours from community volunteers

13,809
volunteer hours

Community Generosity

\$13,337,999 in services donated through Health Access and Northeast Georgia Health System
Value of Medical and Dental services \$2,915,607

\$6,896,821 of medications dispensed
