EXPANSION CAMPAIGN

GOOD NEWS
CLINICS

BUILDING HOPE THROUGH HEALTHCARE

In 1992, Good News Clinics opened as a nonprofit Christian health center charged with **nurturing broken bodies and souls and providing healing for both.** With community support, the Clinics began to grow and expand, eventually becoming the largest free clinic in Georgia.

Over the past thirty years, the Clinics have grown from seeing a few patients in a local homeless shelter to being a lifeline for over 3,500 patients annually. From humble beginnings a few hours each week, our volunteer clinic has grown to include: a medical clinic, dental clinic, counseling program, specialty referrals program, and dispensary, all available five days each week.

LIVING OUR VALUES

Good News Clinics is a collaborative, synergistic nonprofit, dedicated to fulfilling Jesus' call to do **GREATER THINGS.** Like a beautiful tapestry, our values weave a strong fabric to support the fundamental and critical needs of the poor.

**"WHOEVER
BELIEVES
IN ME WILL
ALSO DO
THE THINGS
THAT I DO;
AND GREATER
THINGS THAN
THESE WILL
THEY DO..."**

—John 14:12

WHY SHOULD I GIVE?

As a nonprofit, Good News Clinics relies on volunteers to provide clinical services. Compassionate and concerned healthcare providers give of their time and expertise to care for our community. We need your support to bring our *expanded* vision to life. The Clinics have shown incredible health outcomes in our patients for 30 years. We have measurable ways to show that our organization is moving the needle on chronic conditions, COVID-19, behavioral health issues and lifestyle in the underserved.

Greater Things is comprised of three campaign pillars.

01. Expansion of facilities
02. Additional program capacity
03. Program support, now and for the future

DONOR RECOGNITION

In recognition of our donors, the Clinics will have both space naming opportunities for gifts of \$50,000+ and an artistic donor recognition area on our campus. Our **Building Blocks of Hope** design will incorporate you, our donors who are partnering with us to achieve **Greater Things.** Your gift to the **Greater Things** Campaign is an investment that will yield a lasting return: *healthy citizens working together to create a vibrant and thriving community and an economically healthy future for us all.* We have challenged ourselves with raising \$6.5 million. We hope you will help us reach our goal!
