## Letter from the Executive Director

### The Hands and Heart of Christ

*"Then the King will say to those on his right, 'Come, you who are blessed by my Father; take your inheritance, the kingdom prepared for you since the creation of the world. For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.'" - Matthew 25:34*

At The Clinics, our work isn't only about medicine, access or charity. It's the gospel in action. Every wound we tend, every prescription we fill, every patient we greet by name is a living reflection of the Good News that God sees, values, and restores those often overlooked.

As we look back over this past year, I am thankful for the faithfulness of God and of you, our community. It has been a year of growth and expansion - not only in our facilities but in our vision and programs. We've strengthened our capacity to serve, broadened partnerships, and demonstrated our understanding that healing is both physical and spiritual.

When we offer care to someone who cannot repay us, we are walking in the footsteps of Jesus. We are reminding the poor, the sick, and the weary that they are not forgotten - that they are seen by God, and by us.

Our mission is not just to heal bodies, but to reflect the Healer himself.

You, Friends of The Clinics, are the image of God the provider and encourager for us and for our patients. Thank you for joining us - we thrive because you care.

Most Gratefully & Sincerely,

A handwritten signature in black ink that reads "Liz Coates". The signature is fluid and cursive.

**Liz Coates**

# Greater Things Extension

Thanks to your incredible generosity, Good News Clinics not only met but surpassed our original \$8 million fundraising goal! As we move into the next phase of this effort, we're setting our sights on raising an additional \$3 million to strengthen our Endowment, sustain daily operations, and expand critical services for our community.

Will you consider a gift or pledge toward continuing Greater Things? Together, we can ensure that Good News Clinics remains a beacon of hope for years to come.

*“Very truly I tell you, whoever believes in me will do the works I have been doing, and they will do even greater things than these...”*

JOHN 14:12

Your generosity goes seven times further in caring for patients.

Every dollar donated provides **\$7** of life-changing patient care.

# Patient Stories

*“There’s just something different here, You feel it the moment you walk in... I’m so thankful for the care I received, It’s a very good thing that a place like Good News Clinics exists for this community.”*

At just 56 years old, Mark had already lost so much to pain. For five long years, he struggled with a degenerative bone condition that left him immobilized. Once an active and hardworking man, he found himself trapped in a life of chronic discomfort and isolation. Without insurance, surgery wasn’t an option—and hope felt out of reach.

That changed when Mark came to Good News Clinics.

Our team embraced him with open arms, offering *not only medical care but compassion and dignity*. After a thorough evaluation, we coordinated a total hip replacement—a procedure Mark never imagined he could access. The surgery was a success, and the recovery, though challenging, was fueled by his determination and the support of his care team.

Today, Mark walks again.

Eleslie came to Good News Clinics carrying the weight of trauma and searching for someone to help her heal. At just 22 years old, she found more than counseling—she found a team committed to her health and healing. Eleslie now receives medical and specialty care, lab work, and medications. Through our Health Access Initiative, She was connected to imaging services and a cardiologist to address a serious heart condition—*care she would not have received otherwise*. Today, she is on a path to healing, surrounded by support, and filled with new hope for her future.

When Jake first walked through the doors of Good News Clinics, he carried more than just the weight of a medical file—he carried the burden of a difficult past and an uncertain future. But what he found at The Clinics was more than just healthcare; he found a place of hope, healing, and dignity.

Jake was met with compassion and comprehensive care. He was treated and cured of Hepatitis C, a life-changing milestone that marked the beginning of his healing journey. He also received eye care and a new pair of glasses from the Seelke Eye Clinic, allowing him to see the world—and his future—more clearly. Dental services helped restore his health and confidence, and throughout his care, Jake was supported by Dr. Henson, who not only tended to his physical needs but also shared the story of The Clinics and prayed with him during visits.

Jake says he immediately felt welcome and could sense the presence of the Holy Spirit in this place. “There’s just something different here,” he said. “You feel it the moment you walk in.”

Today, Jake is no longer our patient at Good News Clinics—not because he isn’t welcome, but because he *no longer needs our services*. He is working full-time for a local custom home builder, with insurance, benefits, and a 401(k). He’s married, thriving, and pursuing a degree in construction management, positioning himself for leadership and growth in his career.

“I’m so thankful for the care I received,” Jake said. “It’s a very good thing that a place like Good News Clinics exists for this community.”

Jake’s story is a beautiful reminder of what is possible when people are given not only care, but kindness, prayer, and a second chance. At Good News Clinics, healing goes beyond medicine—it reaches the heart.

Many patients struggle with basic needs. You can help by stocking our on-site blessing box.

**Food Non-perishables:**

- Cheerios/whole grain cereals
- Fruit cups in water - with pop lid
- Peanut butter
- Seasonings  
*(onion / garlic powder, Ms. Dash, pepper, low sodium taco seasoning)*
